DI VITTORIA

WHO WE ARE

The **Strade del Vino Cerasuolo di Vittoria** was created to celebrate a region rich in history, traditions, and natural beauty. The ATS (Aggregated Territorial System) results from a collaboration between **the Strada del Vino Cerasuolo di Vittoria: From Baroque to Liberty association and a network of partners, including wineries, hotels, tourist facilities, farms, guides, and local authorities.** This initiative promotes the gastronomic and cultural excellence of a unique area encompassing **Vittoria, Comiso, Gela, and Acate.** Supported by **GAL Valli del Golfo and co-funded by the Sicilian Region's PSR 16.3 measure,** it celebrates quality and tradition.

The ATS works closely with the Consortium for the Protection of **Cerasuolo di Vittoria DOCG and the Enoteca Regionale di Sicilia** – South East branch. Together, they contribute to the Cerasuolo di Vittoria Park, a project that blends culture, landscapes, and traditions to create an unforgettable experience.
